RETTERSPITZ AKTIVTONIC – NEW NAME, PROVEN FORMULA

Nuremberg, October 2024 – The popular skin-tightening tonic *Retterspitz Hautstraffungs-Tonic* has been given a new name and can now be found in the assortment as *Retterspitz Aktivtonic*. The new name contributes to emphasizing the wide range of uses of the stimulating tonic. The proven formula has remained identical.

“*Retterspitz Aktivtonic* is a stimulating treatment that promotes blood circulation, activates cell metabolism and intensifies regeneration,” says Managing Director and Head of Development Florian Valet. “The ingredients also help to smooth the skin’s texture as well as providing protection and care for the skin. *Retterspitz Aktivtonic* is a wonderfully soothing and versatile product. This should be made clear with the new name, which we consider to be more precise – and, of course, also more concise.”

PRECIOUS THYMOL AND ROSEMARY OIL

Retterspitz Aktivtonic is a liquid enriched with thymol, vitamin E and rosemary oil that is used in combination with a wrap textile, such as the body wrap *Retterspitz Leibwickel* or the leg wraps *Retterspitz Nasse Strümpfe*.
